Your TV Questions and Answers

"Does Sergeant Bilko wear a wig or is he really bald-headed? Also in the Burns and Allen series, is the woman who plays the part of Blanche, a sister to George Burns?"

—Edward R. Creason,
3520 W. 5th ave.,
Chicago, Ill.

Phil Silvers—who portrays CBS' "Sgt. Bilko"—doesn't have to wear anything to feign baldness. He's naturally hairless . . . just lucky, I guess. Bea Benadaret, who plays Blanche Morton on the Burns and Allen Show isn't related to George Burns.

"Would you tell me if there are going to be any more Shirley Temple movies on TV?"

—Pat Bunker,
727 S. Main st.,
Lombard, Ill.

Yes—the National Telefilm Associates Network is planning to air several more of Shirley's old movies in spring. And, of course, beginning Sunday, Shirley Temple, now Mrs. Charles Black, is host-

ess on a series of filmed fairy tales on NBC.

★ ★ ★

"Could you tell me why Bishop Sheen does not have a TV program any more? When will he be back again?"

—Sandra Dutkovich,
1629 N. 17th ave.,
Melrose Park, Ill.

Bishop Sheen has many responsibilities and activities. This season he decided to bypass TV to devote himself to other aspects of his clerical

responsibility. He has no plans presently in the works for returning to TV in the near future. You know, of course, that WBKB is re-running films of Bishop Sheen's excellent programs. These are viewable on Channel 7 at 7 p. m. Mondays and 11 a. m. Fridays.

"Would you please tell me the address of American Bandstand and would you settle an argument between

my girl friend and me? Is it true that Elvis Presley is going to the Army and won't be in any more movies?"

—Cheryl Chaplick,
5100 N. Kimball,
Chicago, Ill.

The address for "American Bandstand" is WFIL, 46th and Market, Philadelphia 39, Pennsylvania.

As for the argument between your girl friend and you—it is true that the Army will be getting Elvis in three months . . . like Phil Silvers, the Army's just lucky, I guess. As for your fear that Elvis won't make any more movies, that remains to be seen. He's young enough that he'll undoubtedly be strong enough to work when his Army service is completed. But whether he'll want movie-making, or whether the movies will want him, at that future time no one can predict.
